Kellogg West, Pomona, California

Sponsored By: NACE International, Western Area

Exhibit Spaces are \$ 400.00 each (details available on website)

Space Size: (2) 24" x 60" Table Tops, total display area of 48" x 60"

Exhibitors: Up to 28 Spaces available

The Western States Corrosion Seminar will celebrate its 54th year at Cal Poly's Kellogg West Campus for continuing education.

W.S.C.S. is actively seeking exhibitors for this year's seminar. Companies interested in exhibiting their products or services have an excellent opportunity to meet their future customers. Open on Tuesday and Wednesday, the exhibit hall is the main gathering place during morning and afternoon breaks. (That's where we put the refreshments). **We also hold drawings during each break to increase the number of students in the exhibit hall.**

Tuesday evening when the last class ends, the exhibitors and sponsors host our LAST CALL social hour around the pool, where beer, wine, mixed drinks, soft drinks and assorted snacks will be served until last call is heard.

Wednesday evening's social hour will be held in the exhibit hall. Beer, wine and snacks will be served free of charge from 4:30 p.m. till 6:00 p.m.

Please help this seminar have another successful year; we really do need your support. All exhibitor and sponsor company names will be prominently displayed at all functions, clearly indicating your participation and support of this non-profit educational program.

If your company cannot exhibit this year, please consider sponsoring our two social hours. A \$100.⁰⁰ donation will list your company's name on a large sign displayed in the exhibit hall and in the lounge during the two nights we have the social hours. Additionally, we will include your business card on our rotating list of cards on our home page.

For more information and to register, please visit

<http://www.westernstatescorrosion.org/exhibitorinfo.html> or contact myself.

Sincerely,

Rodney Bamford

BREAKFAST AND DINNER MEALS ARE AVAILABLE AT THE SEMINAR, AND MUST BE PURCHASED SEPARATELY.

WESTERN STATES CORROSION SEMINAR

By paying on the Brown Paper Tickets website, we agree to accept the terms and conditions of the Force Majeure, Damage to Buildings, and Liability stipulations on page three of this contract.

FORCE MAJEURE

The leasing of the facilities of the California State Polytechnic University, by the Western States Corrosion Seminar, is subject to the usual force majeure provisions and the performance of this SPACE CONTRACT by the W.S.C.S. is subject to its being prevented by earthquake, floods, strikes, acts of the public enemy, war conditions, fires, acts of God, or restraints of the government either federal, state, or municipal, civil or military.

DAMAGE TO BUILDING

It is hereby agreed that exhibitor will not mar, injure, or in any manner deface the building exhibit area and/or its fixtures, and will not cause or permit anything to be done whereby the premises shall be in any manner injured, marred or defaced; and will not drive or permit to be driven any nails, tacks or screws into the walls, floors or woodwork of the building, fixtures, decorations in said area; and the exhibitor agrees that if said premises shall be damaged by the act of negligence on the part of said exhibitor, his agents, servants or guests, it will pay to the Western States Corrosion Seminar such a sum as shall be necessary to restore the premises to their previous condition.

LIABILITY

Neither the W.S.C.S. nor the California State Polytechnic University shall be responsible for any loss, damage or injury that may occur to the exhibitor, exhibitor's guests, exhibitors employees or to the period covered by this contract, and the contract, and the exhibitor on signing the contract expressly releases the W.S.C.S. and California State Polytechnic University from and agrees to indemnify them against any and all claims for such loss, damage or injury, provided, however, that this provision of the contract shall not be applicable if such loss, damage or injury is caused by the negligence or misconduct of the W.S.C.S. or California State Polytechnic University or any of their employees, agents or other such representatives.

For additional information on the seminar and courses offered, please go to

www.westernstatescorrosion.org
